Judge: Duncan Moody (1-24)

Entries 1-24: Great class to judge. Generally high standard but VA and cleanliness issues were main problems to address. Wines which stood out were varietal, savoury still had freshness and well judged tannins. Entries 25-45: Great class - fabulous to see how cabernet ages so gracefully - top wines retained their fruit and showed elegance and length.

A strong bracket with some outstanding shiraz. Top shiraz showed varietal definition, great use of oak and vibrancy. A few microbial issues plus VA. overlooking does not do any wine justice. A few with bottle development should be commended. A lot of overripe fruit. More attention to oak, less is more. Wine makers should indicate regions.

Pleasant class to judge with highest pointed wines showing youthful characters, varietal definition and balance. Take care with VA, aldehydes and those using cork, consider screw cap for aromatics.

WINE SHOW DIRECTORS' COMMENTS 2017 ELTHAM WINE SHOW

Welcome

At 640 entries the 48th Eltham Wine Show remains the biggest amateur wine show in Australia. Welcome back and thanks to those of you who keep entering your wines in our Show year after year. Welcome to those who have entered our Wine Show for the first time this year. Our focus is make sure that your experience at our Show is a positive one. Welcome to those of you who are not winemakers but have come along to see what amateur winemaking is all about. Maybe you will 'catch the winemaking bug' and we will see you as an entrant next year!

Enjoy

Our intention is to make your attendance a great experience; offering you wine tasting, wine/food related workshops and sponsor displays to explore. In addition, excellent catering has been provided by the Veneto Club. You have the option of purchasing light snacks at the Show itself or alternatively have a restaurant meal at the bistro downstairs. There is so much to see and do for everybody, so stay around for a while, take your time to enjoy it.

Explore & Learn

Take the opportunity on show day to expand your knowledge of wines. Try tasting wines that you have never tasted before. If you are a grape winemaker, try some country wines. Taste the gold medal wines and learn what to aim for with your own winemaking. Amateur winemakers believe, and many professional judges agree, that our homemade wines are often as good as and in many cases better than professionally made wines. Don't take our word for this; make up your own mind by tasting the best wines available.

Our Judges

The integrity of our wine show is foremost in the minds of everybody involved. Our panel of judges, under the leadership of Chief Judge Loic Le Calvez, is comprised of professionals in the winemaking field. These people have dedicated their valuable time on an honorary basis in order to give back something to the industry they are passionate about. We really appreciate and value their contribution.

Chat to Our Members

Members of the Eltham and District Winemakers Guild will be wearing their name badges at the show. Please feel free to approach them for a chat, either to find out more information about wines or to provide some feedback about the show. We value feedback because we are continually trying to improve the Show and ensure we meet your expectations. Visit our stand at the Wine Show where you can find out more about the benefits of Guild membership and put your name down to receive our monthly newsletter via email. You may even be so excited about what you have seen at the Wine Show that you will fill in a membership application form on the spot when you see it only costs \$30 per annum!

Support Our Sponsors

We gratefully acknowledge the generous support of our many sponsors without whom this Show would not be possible. Please make a note of who they are and support them at every opportunity.

Acknowledgments

Our sincere gratitude also goes to the very dedicated Wine Show Committee who have worked for many long hours to ensure the success of the 2017 Eltham Wine Show. Thanks also to the loyal, hard-working ordinary member volunteers of the Eltham and District Wine Guild who have worked over this weekend.
