### **INTERNATIONAL NIGHT FRIDAY 28 JUNE HUNGARIAN THEME**

This event will replace our normal monthly meeting and will be a very good night. My thanks to Darko for his good work in arranging this event.

Would members please pay your deposit and or confirm with Darko your attendance. It is most important that we have a minimum of 50 people at the restaurant. Consider some friends you may wish to invite at short notice should we need a few extras. Check your emails for further information.

Darko can be contacted on:

### **PRESIDENT'S VISIT TO CHINA**

This trip was not intended to be a study of the Chinese wine industry, but a few examples were sampled. One particular wine called Great Wall red would have only received the minimum points at our annual Wine Show. All wines tasted were thin, lacked fruit flavour and bore little resemblance to the claimed grape variety they were produced from. There will be no imminent threat to the Australian wine industry at this stage of China's fledgling industry. To their credit improvements will be rapid over the next ten years and China has a very diverse range of climate and soils to assist this development.

### **BEER NIGHT MAY MEETING**

I as advised this was a success and a departure from our normal country and grape wine based meetings. Thanks to John O'Callaghan for the provision of his range of Buckley's beers and his expert commentary.

### **ANNUAL GENERAL MEETING**

See Message from Secretary below.
