Grape Availability Listing for 2018

Buyers are reminded that grape quality is a critical factor in both good winemaking and final wine quality, and the Guild suggests that intending buyers carefully review available information on fruit selection.

Nick Cugura	Big Hill Vineyard	Mobile 0417334206
Email : nick@ezsys.com.au		
Region: Bendigo		
We have shiraz, merlot and cabernet almost ready to be picked. If you are interested, the cost is \$500 per tonne and your members would need to pick the grapes.		

Danny & Vikki Shine	Phone: 03 5127 8298 & 0417342166
Email: dshine@wideband.net.au	
Region : Gippsland Region (Foster; & Blackwood Ridge Vineyard, Moe South)	
Fruit: NONE	
Notes: No longer growing grapes.	

Gary Trist (EDWG member)	Phone: 03 9710 1605 / 0425 737 839
Email: gary@buttermanstrack.com.au	
Region: Yarra Valley Region (Queenstown Vineyard, St Andrews)	
Fruit: Shiraz (PT23), Sangiovese (MAT 1, MAT 2)	
Notes: Cropping density less than 2 tonne per acre, copper and sulphur sprays only. Sangiovese vines are 10 years old. Shiraz vines are 16 and 23 years old. Quantities are limited this year so get in early. Contact Gary for pricing. Will sell at picked or you-pick prices. Pick up from vineyard.	

Brian Spencer (EDWG member) Cornella Ridge Estate	Phone: 0400 274 482
Email: brianspencer@shirazrepublic.com.au	Website: www.shirazrepublic.com.au
Region: Cornella (Heathcote) Red Cambrian soils	
Fruit: : Shiraz. Hand-picked by grower, packed into waxed carton boxes, \$2.00/kg plus delivery. See website for delivery costs to your suburb. You pick option \$1.70/kg boxes supplied	
Notes: Order form is on website. It looks like being a better season than last year, with a drier warmer spring and summer. We're expecting picking to start early March, but it can be earlier, subject to the weather. Keep an eye on our blog and Facebook for an update on harvest. We will start posting Baume's as soon the grapes finish verasion	

Hugh Jones Humis Winery	Phone : 0419588044
Email: hugh.jones@gmail.com	Website: www.humisvineyard.com
Region: Our vineyard is in the Heathcote Region (just down the road from Cornella and Chalmers Vineyards.	
Fruit: We produce Shiraz (11 acres), Carmenere (10 acres) and Grenache (2 acres) Our vines are between 5 and 3 three years old so they are coming up to full production. We have planted the vines in an east/west orientation and for the region quite dense at 2800 vines per Ha using 2.5m row spacings.

Notes: This year we will machine harvest using the latest Braud harvest (very good sample) but for the sake of a smaller order (or alternative demands with baume, ph etc) we would happily assist with hand picking, supplying buckets, trailer, tractor and myself. We'll be working on \$1.80 per kg/buyer picks.

Grape suppliers who can offer different, valuable features to the current listing here may apply to cheers@amateurwine.org.au

Grape buyers, please note carefully: In providing this list for the use by members and non-members alike, the EDWG accepts no responsibility whatsoever for the accuracy of the information below sourced from the listed grape suppliers, and cannot accept any responsibility whatsoever for the suitability of the grapes in making wine, other beverage or other use. Like most transactions, grape buyers should beware of the many traps, especially those associated with buying perishable products. EDWG warns that laws must be obeyed – for example, grapes cannot be moved out of Phylloxera infested zones without a permit, and this includes part of the Yarra Valley and some other grape regions (refer to Department of Primary Industry web site or contact DPI for further information on this; tel 03 9210 9390).
