ELTHAM WINEMAKERS GUILD & HOME MAKE IT - MEAD MAKING WORKSHOP

- **Learn about mead - its origins and its history**
- **Learn about all the different varieties of fermented mead**
- **Learn and make – “Joes Ancient Orange Mead”**
- **Complete kit & ingredients provided, nothing else to buy**

Over the course of three sessions you follow the instructors notes and using the equipment provided, you will be able to make your first mead, starting in the workshop, then continuing at home, from what you have learned.

At the end of the course you will be invited to an Eltham Wine Guild meeting to share your mead with other winemakers and receive your Mead Making Certificate.

Course to be held from 9am to 12pm Saturday

* The family-owned and operated Home Make It brand has its origins rooted in Melbourne food and drink culture history. Its founders, the Baggio family, began by engineering and supplying food and beverage making equipment and technology to the Italian immigrant communities back in the 1960s, and then steadily expanded to include the wider community across Australia over the decades. www.homemakeit.com.au
